

Reel Asian

Web Designer & Developer (Student / Recent Graduate) for Short-Term Project

[Reel Asian](#) is seeking a **student or recent graduate** web developer to support a small website project focused on updates and improvements to the Reel Asian homepage. This is a great opportunity to gain hands-on experience working with a cultural organization's digital platform and contribute to the online presence of Canada's largest pan-Asian film festival.

Project Timeline:

- **Employment start:** July 28, 2026
- **Employment end date:** September 7, 2026

Project Scope:

- Refreshing the homepage layout and visual design to match rebrand
- Updating key components (logo, hero banner, featured content, CTAs, event highlights, curser)
- Ensuring mobile compatibility
- Implementing the approved design in the existing CMS (Wordpress)

Ideal candidates will have experience with website development, front-end design, and content management systems (Wordpress), accessibility standards and be able to work collaboratively with the Reel Asian team to bring creative and functional updates to life.

Candidates must meet the following eligibility criteria:

- Enrolled in a post-secondary institution (currently or for the fall semester) OR have graduated within the past six months (for example, if you graduated in December, you can apply for and start a summer student position up until June of the following year).
- A resident of Ontario during the term of employment.
- Legally entitled to work in Canada and have a valid Canadian Social Insurance Number (SIN) for the full duration of your summer employment.

Budget: \$3828 honorarium
